

Corded USB-C TRiO Car Charger

Featuring a built-in USB-C cable and two USB ports, the USB-C TRiO converts your vehicle's single power outlet into a powerhouse that charges up to 3 devices at once! Enjoy truly universal compatibility. The USB-C cable delivers a rapid charging 3A output to compatible devices like the new MacBook, ChromeBook Pixel, HP Spectre, LG G5 and Samsung Galaxy S8 & S8 Plus. The device also features dual USB ports that you can use with a Micro USB or Lightning cable to charge all your other gadgets. It's a must-have charging accessory for multi-device users.
