

Boost Solo™ Charger

Need a quick power boost? This ultra-compact car charger is a must-have for mobile device users who need fast charging power on the road. Engineered with Adaptive Fast Charge Technology, it can power up compatible devices faster and more efficiently than any standard charger. Go from drained to 50% full in just 30 minutes! It also delivers a powerful tablet-friendly 2.4A output to non-Fast Charge devices, making it an ideal solution for all your charging needs. Power up faster and smarter with the latest high-speed car charging technology.

Features

- Adaptive Fast Charge Technology
