

# Adaptive Dual USB Rapid Charger

Faster and More Efficient Charging

This car charger is a must-have for mobile device users who need to stay fully powered while on the road. Features 2 color coded ports: both the Black and Orange port deliver the maximum 2.4A each to rapid charge all your USB-powered gadgets (iOS & Android phones, tablets, & more), but the Orange port has an extra kick: it's equipped with cutting-edge Adaptive Fast Charge Technology! Using this port, compatible Qualcomm QC 3.0 devices power up 4X faster than with standard chargers. In fact, just 35 minutes can get your drained battery 80% full! Now you can enjoy the latest in high-speed technology and always arrive fully charged!

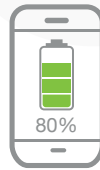

For Use With All Mobile Devices Including iPad®, iPhone® & Tablets

## Features

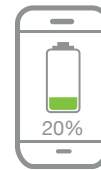

- Adaptive Fast Charge Technology
- 2.4A Maximum Output for non-QC devices
- Fastest & Most Efficient Charging
- Durable Construction

## Specifications
