

Turbo 6 Wall Charger

Stop fighting over outlets! This charger transforms one wall outlet into a 6-port charging station! It's the ultimate solution for any home or office with multiple devices. Charge up to six gadgets simultaneously at blazing fast speeds with 50 watts of pure power! The two orange ports feature cutting-edge Adaptive Fast Charge Technology so compatible Fast Charge devices can go from drained to 50% full in just 30 minutes! Both ports are universal and can deliver a powerful tablet-friendly 2.4A output to non-Fast Charge devices. Enjoy the latest evolution in high-speed charging technology. We like to think of it as Performance Supercharged!
