

Universal Magnetic
MagBuddy® *Headrest*

This compact and cradle-free magnetic system transforms any headrest into a multimedia center. With fully adjustable clamps that effortlessly secure onto any vehicle's headrest, the mount can hold even the largest tablets without vibrations or wiggling. Just hover the device near the base and feel the powerful magnetic force instantly latch on for hands-free backseat entertainment. Let passengers focus on the screen, so you can focus on the road ahead!

Features:

- Fully Adjustable to Fit Any Headrest
- Quick Install and Removal
- Powerful Neodymium Magnets
- Bump-free and Hands-free Media Viewing
- Compact & Cradle-free design
- 360 Swivel Ball for Portrait or Landscape Viewing
