

SoundBrick

Wireless Indoor/Outdoor Speaker

The SoundBrick shatters expectations, providing massive studio-quality sound with deeper bass levels than you'd ever expect from a portable wireless speaker. With 16 hours of playtime on a single charge, you'll never miss a call or a beat! Thanks to a rugged IPX6 shock, dust, splash, and weather-proof exterior, this compact sound system is perfectly portable and always ready to bring party-level volumes to any adventure. Whether you rock it indoors or outdoors, this 30-watt speaker is built brick-solid to Let your Music Break Free!
