

Naztech 5-Tier Cardboard Floor Display

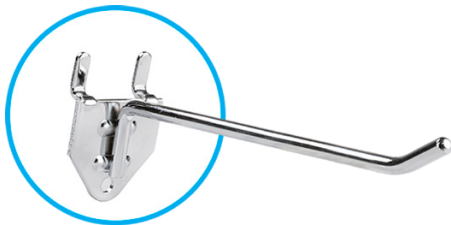

Featuring 5 tiers and an open design, this display rack is the perfect accessory for your retail outlet! The detachable header is fully customizable and can easily be swapped for personalized short term or seasonal promotions. Move items off over-stuffed shelves where they might be easily overlooked and onto an eye-catching display that will showcase your products. This convenient point-of-purchase stand is excellent at promoting new merchandise and optimizing your retail footprint. The vertically stacked design takes up minimal floor space making it easy to relocate within the store and adapt to your customer traffic patterns.
