

dBm Metal Earphones

The dBm Metal provides the best listening experience possible with sleek metallic style. Powerful 10mm neodymium drivers deliver smooth HD sound with enhanced bass and crisp treble notes. With three size options of comfort-fit ear gels, you are ensured the perfect fit to seal in sound and block out ambient noise for a truly immersive audio experience. An in-line mic and remote control allow you to switch between music and calls with ease. Choose from 4 vibrant metallics designed to accent your tech gear and express your personal style. Rock out all day in style!
