Lighted USB-C Cable
Built-in LED Flashlight

It is hard to find the little ports on your device in the dark. The Lighted USB-C Cable is an ingenious solution for this problem. This durable flat high-speed cable features a white LED light built into the USB-C connector! No more fumbling in the dark! The flashlight activates with the press of a button to light the way to your device's port without the usual game of hide and seek. No Lights? No Problem!
