

Dual USB Mini Car Charger

The Dual USB Mini Car Charger is perfect for power-heavy mobile device users. Featuring dual USB ports with a combined output of 2.4A, you can rapid charge two devices simultaneously! Say goodbye to bulky chargers that barely fit into your console, the compact and lightweight Mini is designed with a low-profile that allows easy access for charging cables. Available in high-tech gold and silver finishes with polished chrome accents, this eye-catching accessory is a sleek way to power up on the road, so you Always Arrive Fully Charged!
