

USB-C + QC 3.0 12000mAh Portable Battery

Extend the life of your mobile device up to 6 times! Engineered with 12000 mAh of power and two high-speed USB ports, this portable battery is designed to keep up with your power-heavy lifestyle. The USB-C port has an incredible 3A input/output rate. The QC 3.0 port powers up compatible Quick Charge 3.0 devices from drained to 80% full in just 35 minutes! It also delivers a powerful tablet-friendly 2.4A output to non-QC devices. It's time to Power Up the Present and Gear Up for Your Future!

Features

- High-Capacity Battery
- Dual USB Output
- Quick Charge 3.0 Technology
- Made for USB-C Devices
- Smart Chip Technology
- Rapid Recharging Input
- Advanced Safety Technology
- Portable & Lightweight
- Limited One Year Warranty

Specifications

- Battery Capacity: 12000mAh
- Battery Type: Lithium Polymer
- QC 3.0 Output: 5V/3A, 9V/2A, 12V/1.5A
- USB-C Output: 5V/3A max
- Micro USB Input: 5V/2A max
- USB-C Input: 5V/3A max
- Protection: Short Circuit / Overcharge
- 5.8 x 2.8 x 0.7 in | 250 g

Quick Charge 3.0
Charge 80% Faster
