

dBm Wave Earphones

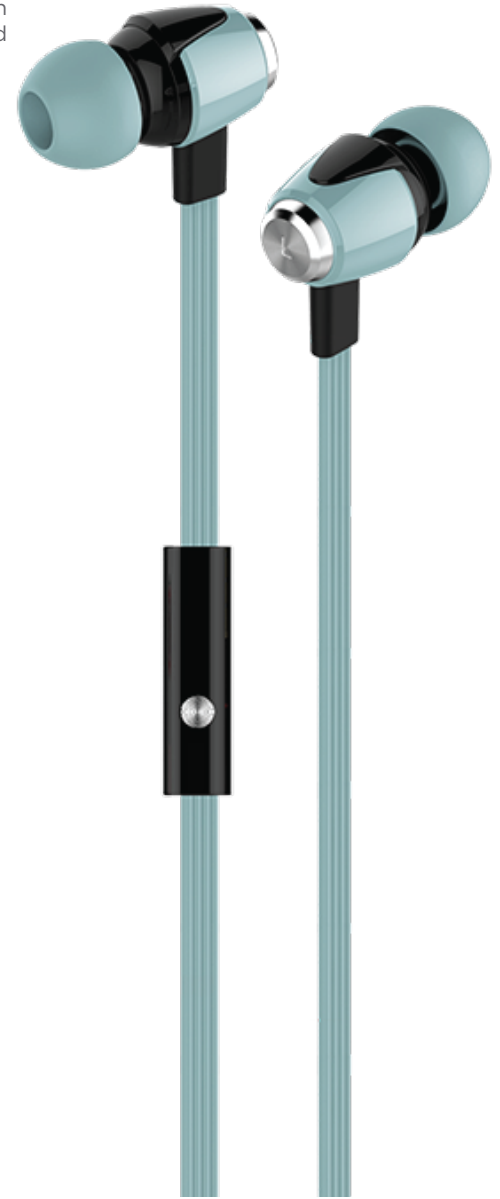

The dBm earphones provide the best listening experience possible with eye-catching style. Powerful 10mm neodymium drivers deliver smooth HD sound with enhanced bass and crisp treble notes. With three size options of comfort-fit ear gels, you are ensured the perfect fit to seal in sound and block out ambient noise for a truly immersive audio experience. An in-line mic and remote control allow you to switch between music and calls with ease. Choose from 3 new special edition pastel hues designed to accent your tech gear, match your mood, and express your fashionable spirit. Rock out all day in style!
