

Universal Magnetic  
**MagBuddy**<sup>™</sup> CD Slot

This new cradle-less magnetic mounting system is designed to keep even the largest tablets at eye-level and easy reach so navigation, hands-free calling and music control is securely at your fingertips even through the bumpiest roads. The scratch-free rubberized grips are universally compatible and install in seconds into any vehicle's front loading CD player slot. Just hover your device near the base and feel the powerful magnetic force instantly latch on. Keep your hands free and your eyes on the road!
