

# Quad USB Wall Charger

Stop fighting over outlets! This charger transforms a single wall outlet into a 4 USB charging hub with an incredible 6.8A high-speed output! It's perfect for any home or office with multiple devices and just not enough outlets. The top ports are phone optimized, each delivering a solid 1A, while the bottom ports each deliver a tablet-friendly 2.4A. You can simultaneously charge 4 phones or 2 phones and 2 tablets at maximum speed! This compact and lightweight charger has been drop tested for durability and features travel-friendly foldable prongs, so it's easy to store and always ready to go. Maximize your charging power with the Quad!
