

Adaptive Wall Charger with Hybrid Micro USB+USB-C Cable

This travel-friendly wall charger is engineered with the latest in high-speed charging technology to power up compatible Qualcomm Quick Charge 3.0 devices 4X faster than standard chargers. Just 35 minutes can get your drained battery 80% full! Its power is matched by a sleek glossy black housing, folding prongs, orange LED power indicator, and a removable 4ft charge & sync hybrid cable that features both Micro USB and USB-C connectors. With backwards compatibility for QC 2.0 & 1.0 and a powerful tablet-friendly 2.4A output to non-QC devices, this charger is an ideal solution for all your charging needs.

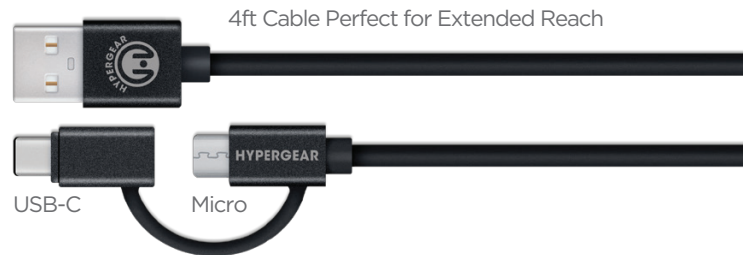

Features
