

Turbo 30W USB-C PD + USB-C Car Charger

Need fast charging power on the road for your newest USB-C gear? The Turbo charger features two USB-C ports that are engineered to each deliver a powerful 3A maximum output! The bottom port is enhanced even further with a specialized Power Delivery chipset which offers up to 30 watts of high voltage charging power! With over 9X the power of standard chargers, this one charger works with even the most power-hungry devices. You can even fast charge the iPhone X/8 and the new Samsung Galaxy S9/S9+ from 0 to 50% in just 30 minutes! Now you can enjoy the latest in high-speed technology and always arrive fully charged!
