

Splash

Wireless Speaker

Splash is a wireless Bluetooth speaker specifically designed for the shower, but so lightweight and portable, you can use it anywhere. The strong suction cup holds the speaker firmly to any smooth surface, even in the wet, tiled shower. With a 33ft wireless range, your device can stay safe and dry while you're belting out tunes in the shower. The built-in remote and microphone let you take and make calls, control your playlist, and adjust the volume all directly from the speaker. Fully charged, this compact powerhouse plays for up to 4 hours. With the Splash, you can take the party with you and never miss a beat or a call!
