

# 45W USB-C PD Super Speed Wall Charger

Ready to experience next level high-speed charging? Engineered with a specialized Power Delivery chipset and the most advanced charging technology, the new PD wall charger from Naztech offers up to 45 watts of high voltage charging power! This ensures you can charge all your USB-C devices, from smartphones and tablets to ultrabooks and laptops, from a single charger. With over 9X the power of standard chargers, it works with even the most power-hungry devices. You can even fast charge the iPhone X, 8/8 Plus and the new Samsung Galaxy S9/S9+ from 0 to 50% in just 30 minutes! This is the ultimate super speed charger for home, work, and travel.
