

Wireless Fast Charging Stand™

Take your charging experience to the next level with the Wireless Fast Charging Stand. Just drop your Qi-enabled device onto the base for immediate fast charging. No need struggle to aim plugs into tiny ports or wrestle with long charging cables, charging begins on contact! Engineered with an incredible 10 watt output, the Fast Charging Stand delivers 2 times the power of a standard charger, cutting down your total charging time by at least an hour! This all-in-one system includes a powerful Fast Charge wall adapter and a 4ft Micro USB cable, giving you everything you need start charging right out of the box. Leap into a wire-free future!
