

Adaptive Fast Charge

# Power Hub4™

## Charging Station

Stop fighting over outlets! With an incredible 7A output and 4 high-speed USB ports, the Power Hub turns any single AC outlet into a 4-port high-speed charging station. It delivers up to 15W from the USB-C port, 18W from the Adaptive Fast Charge port, and 12W from the dual standard USB ports. Quickly and easily charge up to 4 devices simultaneously! It's a practical power solution for a household, office or multi-device user who juggles several phones and tablets throughout the day. The space-saving design is perfect for any desk or tabletop and individual docking stations will keep all devices neatly arranged while charging. Minimize Clutter. Maximize Power!
