

# Wireless Starter Kit

Protective Case | Tempered Glass | Wireless Charger

Ready for Wireless Charging? The Starter Kit contains everything you need! Say goodbye to the hassle of plugging a cable into your phone's tiny charging port or having to remove your thick phone case every time you need a power boost. Simply drop your Qi-enabled device onto the Wireless Charging Pad and watch as charging begins immediately on contact! The Tempered Glass Screen Protector and Hybrid PC + TPU Phone Case combine to provide the highest level of 360° protection while still preserving the ultra-slim profile that is required for wireless charging. This one convenient package has 3 must-have accessories that will keep your valuable phone fully Protected and Powered.
