

# Hybrid PC + TPU Case

When you have one of the hottest new phones on the market, you can't cover it up with just any case. Your investment deserves protection that doesn't skimp on style. The Hybrid Collection showcases your phone's natural beauty while providing the highest level of protection. This form-fitting and lightweight case blends a durable hard shell exterior with a soft, shock and impact-absorbing layer for superior protection from the everyday dangers of bumps, drops, scrapes, dings, and damage. Fit. Function. Fashion. The Hybrid is Ready for Impact.

**Features:**
