

Universal Magnetic
MagBuddy[®]Desk⁺

This cradle-less magnetic mounting system is designed to hold your mobile device upright at eye-level and easy reach, so notifications, messages, emails, and videos can stay at a convenient and glance-able level while working at your table or desk. The sleek metallic base features a powerful LockGrip™ suction, that will secure the mount to any flat surface from countertops to nightstands. Just hover your device near the base and feel the powerful magnetic force instantly latch on. You'll always be ready to Grab and Go.
