

HYPERGEAR

H₂O

Water Resistant Wireless Speaker

Splash into fun with the HyperGear H2O Wireless Speaker! It's designed for the shower, but is portable enough for anywhere use. The powerful suction cup lets you easily mount the H2O to any smooth surface inside of your bathroom, shower, pool, and kitchen! There's no need to rush, slipping and sliding, to answer your phone with wet hands again! The built-in microphone and controls let you easily take calls, adjust volume, and control music playback directly from the speaker! Listen and sing along with your Top Hits, for up to 6 hours on a single charge!
