

# HyperSonic Powerful Dynamic Sound

# 300 WATTS

The HyperSonic portable speaker is in a league of its own pairing massive sound with unmistakable looks and an eye-catching multi-colored light show. It sets the bar as one of the loudest speakers in its class. Crafted for true music enthusiasts, it delivers robust well-balanced sound with a deep bass, clear midrange, and extended highs. The analog knobs allow you to fine-tune the controls to your personal preferences while the guitar-influenced strap enables easy and stylish travel. Now charge it up, light it up, crank it up and start Living Loud!
