

Rugged Charge & Sync Cable

Lightning® to USB

Engineered to last, this ultra-durable cable features reinforced stress points, braided nylon construction, and thick gauge wiring that delivers an incredible bend lifespan and stands up to active daily use. The Rugged cable also features a touch-activated white LED light built into the Lightning connector that will keep you from fumbling for your tiny charging port in the dark! This is the only cable you'll ever need to charge and sync at maximum speed.
