

# Wireless ChargePad<sup>TM</sup> Pro

Say goodbye to tangled wires and lost charging cables. The ChargePad Pro utilizes Qi Inductive Charging Technology that eliminates the need to constantly plug and unplug charging cables each time you want a power boost. Just set your device on the pad to fast charge on contact! Engineered with double the power of standard wireless and wired chargers, the 10 watt maximum output can save you a full hour of total charging time! This is Power Simplified.
