

18W USB-C PD Wall Charger

Need Power Fast? Don't be fooled by this charger's small size, it packs an incredible punch. It's engineered with a specialized Power Delivery (PD) chipset that offers up to 18 watts of high voltage charging power! With over 3X the power of a standard charger, it works with most power-hungry tablets and can even fast charge the latest iPhone and Samsung Galaxy smartphones from 0 to 50% in just 30 minutes! This is the ultimate compact charger for home, work, and travel.
