

Nano Wireless Charging Pad

Charges All Qi-enabled Devices

The **ECO Nano Wireless Charging Pad** is a competently compact charging solution for your day to day convenience. Don't let its size fool you! This ultra-thin charging pad has been carefully constructed in a portable design to charge your Qi-enabled devices in a super-rapid fashion anywhere you may go. While small in stature, the power of this wireless pad still packs a punch to charge your favorite devices in a snap.
