

Wireless Bluetooth Headset

Compatible with Most Bluetooth-enabled Phones

The new **ECO V268** is a complete Bluetooth headset solution – ear hook, charger, and fully-featured headset – in a tiny, featherweight unit for maximum comfort.

The multifunction button includes "call answer," "reject," "end," "redial," and "voice dialing" functions with enabled phones. The volume buttons are easily reachable on the back of the headset. A bright LED responds to your input and indicates function mode.

The ECO V268 includes an easy-to-read manual, a comfortable ear hook for prolonged use, and an AC charger.
