

ECO Qi Universal Wireless Charging Receiver

for Micro USB Phones

Installation Instructions:

Method 1: Simply place the receiver over back cover and plug in usb head into the micro usb port of the phone. You may remove the adhesive part (white sticker) of the receiver and apply (adhered) over the back cover. Place your phone on any Qi wireless charging pad to start charging.

Method 2: Open the back cover of your phone. Plug the micro usb to your phone's usb port. You may remove the adhesive part (white sticker) of the receiver and apply over the battery. Close the back cover. Now your phone is ready to be used with Qi Charging pads.

Note: Use only micro USB smartphones which has the correct side of USB Port (Wider latch side facing back of smartphones).
