

Retractable Charger

Retract and Go

The No more tangled wires! **Naztech retractable** car charger features a fully retractable cable and a USB port for charging a second device. These days we all have a few different gadgets in need of charging, whether it is our mobile or MP3 player. With this handy car charger you have the option of charging two separate devices simultaneously. The convenient Rapid Retract Button fully retracts entire length of cable when pressed, and features a blue LED charging indicator.
