

Universal Power Bank

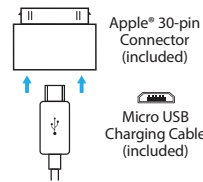

High-Capacity Backup Battery

The Naztech PB5200c Power Bank is a high-capacity power bank designed to recharge phones on the go.

Sleek and lightweight, just slip it into your pocket and you won't need to worry about your phone dying when you need it the most! Clear LED charge indicators and a built-in flashlight make the PB5200c even more convenient to use.

With the portable PB5200c Power Bank, you are never powerless!
