

# Naztech Vertex 3-Layer Covers

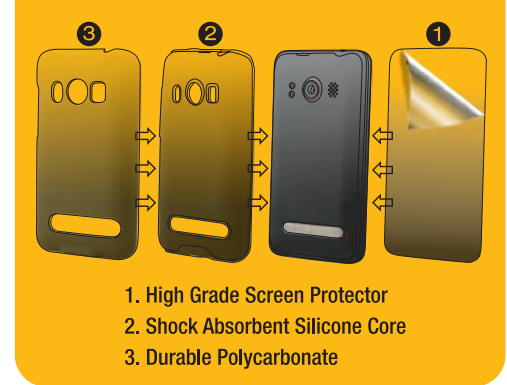

for Samsung Galaxy S5

Your Samsung Galaxy S5 is an investment deserving the ultimate protection, guard it with the Naztech Vertex 3-layer cell phone covers! The inner silicone core absorbs shock from bumps and drops. A hard polycarbonate exterior shell prevents cuts, scrapes, dings, and damage. Your display will be safe from scratches behind the included screen protector.

The Naztech Vertex allows your cell phone to function normally, with open access to all your device's ports, screen, and buttons. Furthermore, the elegant design of your phone is preserved with the Vertex's form-fitting design.
