NX22

STEREO HEADPHONES

The ultra-stylish **NoiseHush NX22** Headphones incorporate neodymium magnet drivers and advanced engineering to deliver high definition sound. The rugged lightweight headphones offer comfortable listening for hours on end and can be used for both mobile sources and home (mini) hi-fi systems. The in-line microphone of NX22 is acoustically tuned to filter out external noise, ensuring that callers hear clearly even in the noisiest situations. With its control button, you can conveniently switch between phone calls and your favorite music. **Crank it UP!**
