

NS560

Clip-on Bluetooth Stereo Headset

The cutting-edge NoiseHush NS560 is engineered to provide an unmatched experience in wireless communication and music listening. The innovative design includes accessible buttons for essential functions and a built-in echo-cancellation microphone. With the NS560, turn any wired headphones into wireless, whether it's our included noise-cancelling headphones or your own favorite pair. The NS560 can also be used as a Bluetooth Dongle to turn home or vehicle audio systems into wireless entertainment. **One device for all your conversations, music, and more!**
